

Culture and International Business Workshop

July 22 to August 9, 2023

UNI provides housing, meals, in-country travel, educational materials and all entry fees. Transportation from Cedar Rapids or Waterloo airport is also provided. Program fees are 2000 USD for the 17 day program on the University of Northern Iowa Campus. Three more days are available in the Chicago area, price is not yet determined.

Participants are responsible for airfare, passport and visa costs, and personal items.

For the past decade, UNI has provided a nintensive workshop for undergraduate students from around the world. Company visits include: John Deere, Frontier Co-op, Kemin Industries, Hanson Dairy, Kryton Metals, Vermeer, ESP International, and Target Distribution. Class sessions on aspects of international business and cultural awareness expand the students ' skill set for their career.
